Dear Peng Tatt

**RE: MERIDIAN MASSAGE TRAINER – MDM TAY LI HUAN**

I would like to thank Mdm Tay for conducting the DIY Meridian Massage session at WINGS on 13 Feb 2009.

The session was well received by our members. They feedback that they had thoroughly enjoyed the session as it was both educational and practical. The DIY techniques that Mdm Tay taught them is definitely useful as the Meridian Massage treats the whole body and thereby also causes a psychic balance

Another positive side effect of Meridian Massage is that one will often see other problems the client has not actually come to be treated for are improving as well. This is due to the fact that Meridian Massage is an integrated treatment.

Mdm Tay was effectively bilingual and detailed in her explanations and her presentation slides were comprehensive.

I look forward to the future sessions with Mdm Tay and collaborations with your company. Thanks again for a very fruitful session.

Yours sincerely,
